- 2.1 <u>Property Hereby Subjected To This Declaration</u>. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in <u>Exhibit "A"</u> attached hereto and by this reference made a part hereof.
- 2.2 Unilateral Annexation By Declarant. As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to subject real property described in Exhibit "B", attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Office of the Clerk of Superior Court of Paulding County, Georgia a Supplementary Declaration describing the property being subjected. Declarant intends to annex hereto the property contained in Developer's land plan for the development as amended from time to time which property is a portion of the property described in Exhibit "B". However, inclusion of property on Developer's land plan or in Exhibit "B" shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land plan bar Declarant from subjecting such property to the Declaration. Any annexation shall be effective upon the filing for record of a Supplementary Declaration unless a later effective date is provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property. If any land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.
- 2.3 Other Annexation. Upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; and (c) the Owners of at least two-thirds (2/3) of the Lots, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Office of the Clerk of Superior Court of Paulding County, Georgia a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

Article 3 Association Membership and Voting Rights

- 3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) office be held for each Lot owned. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of the officers and directors appointed by the Declarant.
- 3.2 <u>Voting</u>. Members shall be entitled to one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one (1) Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws or rules and regulations.
- 3.3 Notice of Sale, Lease or Acquisition. Prior to the sale or lease of a Lot, the Owner shall provide the Association with written notice of the name of the purchaser or lessee, as the case may be, and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall provide the Association with written notice of the name and mailing address of the Owner and such other information as the Board may reasonably require.

Article 4 Assessments

- 4.1 <u>Purpose of Assessments</u>. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.
- 4.2 <u>Creation of the Lien and Personal Obligation for Assessments</u>. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All such assessments, together with late charges in the amount of Ten Dollars (\$10.00) or ten percent (10%) of the amount of each assessment or installment not paid when due and interest (at a rate set by the Board of Directors from time to time, but not to exceed

the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorney's fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and shall be a continuing lien in favor of the Association on the Lot against which each assessment is made. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each such assessment, together with such late charges, interest and costs, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings. No Owner may waive or otherwise exempt themselves from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 General Assessments. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the assessments to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of any general assessment. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget shall have been determined, as provided herein, the budget in effect shall continue. General assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the assessment shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities, cleaning and janitor services, landscape maintenance, expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.4 <u>Special Assessments</u>. The Association may levy a special assessment if approved by two-thirds (2/3) of the Total Association Vote and the Declarant. Special assessments shall be

paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

- 4.5 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration and the costs of maintenance performed by the Association for which the Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; and (b) expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.
- 4.6 <u>Subordination of Liens to Mortgages</u>. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior to the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Lot pursuant to any proceeding in lieu of foreclosure or the sale or transfer of the Lot pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or the then Owner of such Lot from liability for any assessment authorized hereunder become _ due after such sale and transfer.
 - 4.7 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in the amount

of Ten Dollars (\$10.00) or ten percent (10%) of the amount of each assessment or installment not paid when due and interest (at a rate set by the Board of Directors from time to time, but not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorney's fees actually incurred. The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of the county where the Lot is located, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend, without further notice or hearing, the membership rights of the delinquent Owner, including the right to vote, the right of enjoyment in and to the Common Property and the right to receive and enjoy such servicing and other benefits as may then be provided by the Association. Any such suspension shall not affect such members obligation to pay assessments coming due during the period of such suspension and shall not effect the permanent lien on such Lot in favor of the Association.

- 4.8 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the first to occur of the date that the Lot is first occupied for residential purposes; or is conveyed by Declarant or Developer to an Owner who is not a builder acquiring such Lot in the ordinary course of business. A Lot shall be occupied for residential purposes when it has been improved with a dwelling and has been conveyed to an Owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy. Any Lot which has been approved by Declarant for use as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant or any other Person, so long as such Lot is approved for use as a model home and is not occupied for residential purposes.
- 4.9 <u>Budget Deficits During Declarant Control</u>. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community. No Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan

- 4.10 <u>Failure to Assess</u>. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.
- 4.11 <u>Estoppel Letter</u>. The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, as established by the Board, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association.
- 4.12 <u>Initiation Fee.</u> Upon the first sale of each and every Lot after it has been improved with a residence for which a certificate of occupancy has been issued, an initiation fee in the amount of \$100.00 shall be collected from the purchaser at the closing of such sale for the benefit of the Association, including, without limitation, for the payment of any deficit, if any, between the actual operating expenses of the Association and the sum of the annual, special and specific assessments collected by the Association in any fiscal year. These funds shall be placed in the operating account of the Association or in a segregated account for the Association, as determined by the Board of Directors.

Article 5 Maintenance; Common Property

5.1 Association's Responsibility. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair and replacement of all landscaping and improvements situated on the Common Property. The Association shall also maintain, repair and replace (whether or not constituting Common Property): (a) all Community entry features, including entry area landscaping and any irrigation system and the expenses for water and electricity, if any, provided to all such entry features; (b) all storm water detention/retention ponds and storm water drainage facilities serving the Community, if and to the extent such facilities are not maintained by the owner of such facilities or a government body; (c) all private Community streets, roads and sidewalks; (d) the private water distribution system serving the Community as provided in Section 5.4; (e) all Community greenbelt and open spaces; (f) all Community recreational facilities; (g) all Vinyl Fencing, as defined in Section 7.16, originally installed on a Lot by the Declarant or the home builder; (h) all property outside of Lots located within the Community which was originally maintained by Declarant; and (i) the lawns located on the front and side portions of all Lots up to the Vinyl Fencing originally installed by Declarant or the home builder as more specifically provided in Section 5.3 hereof. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community and to enter into easements and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an

Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Owner as a specific assessment. All maintenance by the Association shall be performed consistent with the Community-Wide Standard. The Association shall not be liable for injury or damage to Person or property: (x) caused by the elements of by an Owner or any other Person; (y) resulting from rain or other surface water which may leak or flow from any portion of the Common Property; or (z) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair.

- 5.2 Owner's Responsibility. Except for lawn maintenance performed on a Lot by the Association pursuant to Sections 5.1 and 5.3 and all Vinyl Fencing as originally installed on a Lot by the Declarant or the home builder, all maintenance of the Lot and all structures and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: prompt removal of all litter, trash, refuse, and waste; lawn mowing on a regular basis; tree and shrub pruning; watering all landscaped areas; replacement of landscaping improvements, including, without limitation, grass, pinestraw, flowers, trees and shrubs located on the Lot; keeping improvements, and exterior lighting in good repair and working order; keeping lawn and garden areas alive, free of weeds, and attractive; keeping driveways and fencing in good repair; keeping Common Walkways in good repair as provided in Section 10.11 hereof; complying with all governmental health and police requirements; and repair of exterior damages to improvements. In addition, the Owner of a Lot shall maintain, repair and replace the water line serving such Lot, extending from the dwelling to the water meter. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten-day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair or replacement and all costs thereof shall be assessed against the Owner and the Lot as a specific assessment. This provision shall not apply to any Lot(s) owned by the Declarant, unless improved with a dwelling and occupied as a residence.
- 5.3 Lawn Maintenance. As provided in Section 5.1 above, the Association shall maintain the lawn located on the front and side portions of all Lots up to the Vinyl Fencing originally installed by Declarant or the home builder. Maintenance of lawns by the Association shall be performed at the expense of the Association and shall be limited to mowing, edging and fertilizing/weed control of the areas described above and shall not include any responsibility for replacing dead or dying grass, bushes, shrubs, trees, or other vegetation. Such maintenance shall be performed at a level to be determined in the sole discretion of the Board; provided, however,

that all Lots maintained by the Association must receive approximately equal attention and must be maintained according to the same standard. The Board of Directors in its sole discretion may, with the consent of the Declarant, change the level of lawn maintenance performed on Lots, including, for example, maintenance of any or all vegetation originally planted or placed by the Declarant on the areas to be maintained by the Association as provided above. Owners shall have the right to add trees, shrubs, bushes, plants and other vegetation to the portions of the Lot maintained by the Association so long as such additions otherwise comply with this Declaration, but any of these additions shall be maintained by the Owner and at the Owner's expense. Owners shall have the right, but not the obligation, to individually contract with the Association's landscape contractor to maintain those portions of the Lot which the Association does not maintain. Any common irrigation system installed by the Declarant, the Developer or the Association shall be Common Property, operated, maintained, repaired and replaced by the Association. The deed of conveyance of any Lot shall not include any right, title or interest in such irrigation system, if any. The Board of Directors may promulgate rules setting forth the extent of lawn maintenance to be performed on Lots by the Association and the Owners.

- 5.4 Private Water System. The water distribution system in the Community is private and shall be owned and maintained by the Association as Common Property. The Association shall maintain, repair and replace the master water meter, the meters serving each Lot and all pipes connecting the master water meter and the meters on each Lot. It is anticipated that the City of Dallas will read all meters monthly and will bill Owners for actual water usage at the rate per gallon charged by the City from time to time for all other water customers. The Association shall pay for water used by the Association based on the difference between the usage reading shown by the master water meter and the readings of all of the meters serving Lots.
- 5.5 Conveyance of Common Property by Declarant or Developer to Association; No Implied Rights. Declarant or Developer may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and, if and as provided in Section 5.1 hereof, maintained by the Association for the benefit of its members. The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept on behalf of the Association any such conveyance to the Association and to execute on behalf of the Association any and all documents, including, without limitation, deeds and transfer tax declaration forms, necessary or convenient to effectuate and document any such conveyance to the Association. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant or Developer may reserve, by lease, license, easement or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant or Developer may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property

shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant, Developer, or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the Office of the Clerk of Superior Court of Paulding County, Georgia.

- 5.6 <u>Partition</u>. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots located within the Community.
- 5.7 <u>Condemnation</u>. In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Property, unless within sixty (60) days after such taking, an alternative plan is approved by at least seventy-five percent (75%) of the Total Association Vote and the consent of Declarant. The provisions of this Declaration applicable to replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

Article 6 Architectural Standards

- 6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavation, grading, filling, construction of impervious surface, building, exterior alteration of existing improvements, change in the exterior color of any existing improvement, and planting and removal of landscaping materials), shall be commenced or placed upon any part of the Community unless installed by the Developer or the Declarant or an affiliate of either, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of structures on the Lot without approval hereunder. However, modifications to the interior of porches, patios and similar portions of a structure visible from outside the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of the Developer or the Declarant, affiliates of either, nor to improvements to the Common Property by or on behalf of the Association. This Article may not be amended without the written consent of the Declarant until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued.
- 6.2 <u>Guidelines and Procedures</u>. Except as provided above, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and, to the extent required by the

Declarant, shall show the nature, kind, shape, height, materials and location of the proposed improvement. The Declarant may adopt written design and development guidelines and application and review procedures, which may provide for a review fee. The Declarant shall have sole and full authority to prepare and to amend, from time to time at its sole discretion and without notice, the architectural guidelines. The Declarant shall make the architectural guidelines available to Owners and builders who seek to engage in construction upon all or any portion of the Community and such Owners and builders shall conduct their operations strictly in accordance therewith. If the Declarant fails to approve or to disapprove submitted plans and specifications within thirty (30) days after receipt of all required plans and specifications, such approval shall be deemed to have been given. As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement and insurance to and on any improvement, change, modification, addition or alteration. In the discretion of the Declarant, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Declarant shall be the sole arbiter of such plans and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. The Declarant and its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property in the Community to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such Persons shall not be deemed guilty of trespass by reason of such entry. If construction does not commence on a project for which plans have been approved within twelve (12) months of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the plans to the Declarant for reconsideration.

- 6.3 Limitation of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, nor the officers, directors, members, employees and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, the Association or the officers, directors, members, employees and agents of any of them to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.
- 6.4 <u>No Waiver</u>. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring approval or consent of the Declarant, shall not be deemed to constitute a waiver of any

right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatever subsequently or additionally submitted for approval or consent.

- 6.5 <u>Variances</u>. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the architectural guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations and would not be inconsistent with the overall scheme of development for the Community. No variance shall (a) be effective unless in writing, (b) be inconsistent with the overall scheme of development for the Community, or (c) prevent the Declarant from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.
- 6.6 Enforcement. Any structure or improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, an Owner shall, at its own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. All costs, including, without limitation, attorney's fees, may be assessed against the Lot as a specific assessment. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the architectural guidelines may be excluded by the Declarant from the Community, subject to any applicable notice and hearing procedures contained in the Bylaws. In such event, neither the Declarant, the Association or the officers, directors, members, employees and agents of any of them shall be held liable to any Person for exercising the rights granted by this paragraph. In addition to any other remedies available to the Declarant, in the event of noncompliance with this Article, the Declarant may record in the appropriate land records a notice of violation hereunder naming the violating Owner. In addition to the foregoing, the Declarant shall have the authority and standing to pursue any and all remedies available at law and equity to enforce the provisions of this Article.
- 6.7 Architectural Review Committee. Until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. There shall be no surrender of this right except in a written instrument in recordable form executed by Declarant and recorded in the Office of the Clerk of Superior Court of Paulding County, Georgia. Upon expiration or earlier surrender in writing of all or a portion of such right and authority, the Board of Directors shall appoint an Architectural Review Committee of the Association ("ARC"), which shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. The Declarant may in its sole discretion relinquish architectural control as to certain types of improvements or modifications to the ARC while retaining control over all other building and construction in the Community. For example and without limitation, the Declarant

may relinquish control over modifications of existing structures to the ARC while retaining all authority to review and approve new home construction. Any right, power or authority of the Declarant which may be relinquished to the Association prior to the termination of the rights of Declarant hereunder shall be by written recorded instrument only and no such right, power or authority shall be relinquished by implication or otherwise. The establishment of an advisory ARC shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder. After the termination of all rights of Declarant hereunder, the ARC shall have all right, power and authority to review and approve building and construction activity within the Community hereunder and this Article shall then be read and interpreted as if any reference to the Declarant in this Article 6 were a reference to the ARC.

Article 7 Use Restrictions and Rules

- 7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of Declarant and without a vote of the members, promulgate, modify or delete rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the consent of Declarant.
- 7.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant in residence at the Lot may conduct business activities within the house so long as the business activity: (a) does not otherwise violate the provisions of the Declaration or Bylaws; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; and (h) does not threaten the security or safety of other residents of the Community, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities. The terms "business" and "trade" as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or parttime; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.
- 7.3 <u>Signs</u>. No sign of any kind shall be erected within the Community without the prior written consent of the Declarant or, after the termination of the rights of Declarant hereunder, the ARC. Notwithstanding the foregoing, the Board, the Developer and the Declarant shall have the right to erect reasonable and appropriate signs. For-sale signs and security signs consistent with

the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Lot. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure.

All homes shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. Such vehicle may be removed from the Community by the Board of Directors. Any towed vehicle, boat, personal water craft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go-cart, golf cart, camper, bus or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage or other area designated by the Board, for periods longer than 48 hours may be removed from the Community by the Board of Directors. Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. Commercial vehicles shall not be permitted on any Common Property or any Lot, except if kept in an enclosed garage; provided construction, service, and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot or the Common Property.
- 7.5 <u>Leasing</u>. Lots may be leased for residential purposes. Unless otherwise provided by the Board of Directors, all leases shall have a minimum term of at least six (6) months. All leases shall require, without limitation, that the Occupants acknowledge receipt of a copy of the Declaration, Bylaws, use restrictions and rules and regulations of the Association. The lease shall also obligate the Occupants to comply with the foregoing.
- 7.6 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in reasonable number as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose. No exterior pens for household pets shall be erected or maintained on any Lot unless approved in accordance with the provisions of Article 6 hereof.
- 7.7 <u>Nuisance</u>. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No property

within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. This provision shall not apply to any Lot(s) owned by the Declarant.

The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community.
- 7.9 Antennae. No exterior antenna, receiving dish or similar apparatus of any kind for receiving or transmitting of radio or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Lot, unless approved in accordance with the provisions of Article 6 hereof; provided, however, no such approval shall be necessary to install: (a) antennas designed to receive direct broadcast satellite services, including direct-to-home satellite services, that are one meter or less in diameter; (b) antennas designed to receive video programming services via multi-point distribution services that are one meter or less in diameter or diagonal measurement; or (c) antennas that are designed and intended to receive television broadcast signals. This provision shall not apply to the removal of trees by the Declarant, the Developer or the Association.
- 7.11 <u>Drainage</u>. Catch basins, retention ponds, detention ponds and drainage easement areas are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter the drainage flows after location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval in accordance with the provisions of Article 6 hereof.

Article 8 Insurance and Casualty Losses

- 8.1 <u>Insurance on Common Property</u>. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association and the U.S. Department of Housing and Urban Development ("HUD"), as applicable to the Community. Accordingly, the Board of Directors shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Property, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars. Policies may contain a reasonable deductible as determined by the Board of Directors. In addition to the other insurance required by this Section, the Board of Directors shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall at least equal three months' total assessments plus reserves on hand. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.
- 8.2 <u>Individual Insurance</u>. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times.
- 8.3 <u>Damage and Destruction -- Insured by Association</u>. Immediately after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the

casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five (75%) of the Total Association Vote and the Declarant. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition.

8.4 <u>Damage and Destruction -- Insured by Owners</u>. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction.

- 9.4 <u>HUD Approval</u>. As long as the Declarant has the right to appoint and remove the officers and/or directors of the Association and so long as the project is approved by HUD for insuring any Mortgage in the Community, the following actions shall require the prior approval of HUD: annexation of additional property to the Community, except for unilateral annexation by Declarant as provided herein; dedication of Common Property to any public entity; merger, consolidation or dissolution of the Association; and material amendment of the Declaration, Bylaws or Articles of Incorporation.

Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in an emergency situation and in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Association, but shall not authorize entry into any single family dwelling without permission of the Owner.

This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill. It is anticipated that increased storm water run-off across downstream Lots will result from the construction of impervious surface on Lots. Neither the Declarant, the Developer, the Association nor any builder or Owner constructing according to plans and specifications approved under Article 6 hereof shall have any liability to any Owner due to the increased flow or increased velocity of surface water resulting from approved construction on a Lot.
- 10.7 Easement for Entry Features and Streetscapes. - 10.10 Easement for Owner Maintenance. Declarant hereby reserves for the benefit of each Lot reciprocal appurtenant easements between adjacent Lots for the purpose of maintaining or repairing the improvements located on each Lot which easement shall extend to a distance of five (5) feet as measured from any point on the common boundary between the Lots. Any Common Walkway shall continue to be used for this purpose by the Owner(s) and Occupants of

the Lots upon which such Common Walkway is located and by the subsequent Owners, Occupants and successors-in-title to such Lots. In connection with the creation of this easement, it is acknowledged and agreed that the Owner(s) of the Lots benefited and burdened by the easement will be required to utilize the easement for access to and ingress and egress to and from such Owner's Lot and that such easement is critical to the future use and enjoyment of such Owner's Lot. No Owner shall be allowed to change, alter or diminish the rights of an Owner of a Lot benefited by the easement except by an instrument executed by such benefited Owner recorded in the public real estate records of Paulding County, Georgia.

Each Common Walkway shall be maintained, repaired and replaced as a joint effort by the Owners of the Lots upon which such Common Walkway is located. This responsibility and the cost thereof shall be shared on an equal basis by each of said Owners. Provided, however, in the event that the need for maintenance, repair, or replacement is caused through the willful or negligent act of an Owner, their successors or assigns, or their respective lessees or invitees, then such maintenance, repair or replacement and all costs thereof shall be made at the sole expense of the responsible Owner. In order to protect the value of the respective Lots and to insure the proper use and enjoyment of the Common Walkway, the Owner of a Lot benefited by a Common Walkway shall have the full and unrestricted right to cause the maintenance, repair and replacement of the Common Walkway serving such Owner's Lot as may be necessary to insure that such Common Walkway is maintained in a good, proper and functional condition and a neat, clean and attractive appearance. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that either party may have against the other.

The Board of Directors may impose fines or other sanctions for violations of the foregoing, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Association, the Declarant, the Developer or an aggrieved Owner. Failure by the Declarant, the Developer, the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Association shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or design guidelines and to assess the cost of recording and removing such notice against the Lot of the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

- 11.2 Occupants Bound. Unless an emergency situation exists, the violating Owner shall be given ten days' written notice of the intent to exercise self-help. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Owner as a specific assessment.

- Developer to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant or the Developer, as the case may be, no longer owns any property in the Community and Declarant no longer has the right to unilaterally annex additional property to the Community as provided herein and a certificate of occupancy has been issued for a dwelling on each Lot in the Community; or (b) the date of recording by Declarant or the Developer in the real estate records of the county where the Community is located of a written instrument terminating all of Declarant's or Developer's rights hereunder.
- 11.6 <u>Amendment</u>. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into

compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company, including, without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Lot unless the Owner of such Lot consents thereto in writing. Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owners hereunder nor shall it adversely affect title to any Lot without the consent of the affected Owner. The Board of Directors, with the written consent of the Declarant, and without a vote of the members may amend this Declaration for the sole purpose of electing to be governed by and complying with the provisions of the Georgia Property Owners' Association Act, O.C.G.A. § 44-3-220, et seq. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorney's fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. - 11.16 <u>Variances</u>. Notwithstanding anything to the contrary contained herein, the Board of Directors shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto, if it determines that waiver of application or enforcement of the provision in a particular case is warranted and would not be inconsistent with the overall scheme of development for the Community.
- 11.17 <u>Litigation</u>. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote and the consent Declarant.
